ARTICLE I. DEFINITIONS

Section 1.1 Definitions of Terms. The words and terms as used in this Project shall have the same meanings as used in Schedule A attached hereto and made a part hereof, unless the context or use indicates another or different meaning or intent.

ARTICLE II. REPRESENTATIONS AND COVENANTS

Section 2.1 Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a limited liability company formed, validly existing and in good standing under the laws of the State of Delaware and authorized to conduct business in the State of New York, has the authority to enter into this Project Agreement, and has duly authorized the execution and delivery of this Project Agreement.

(b) Neither the execution and delivery of this Project Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Project Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any

liability or expenses resulting from any failure by the Company to comply with the provisions of this Section 2.1(c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact the Company's ability to fulfill its obligations under this Project Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section 2.1(e) shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (other than the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section 2.1(e). In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in Genesee County, New York, except for temporary periods during ordinary use.

(g) The Company hereby represents to the Agency that facilities and property that are primarily used in making retail sales of goods and services to customers who personally visit the Facility will not constitute more than one-third (1/3) of the total costs of the Facility, except in accordance with New York General Municipal Law (the "GML") Section 862.

(h) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(i) The Company covenants and agrees that at all times, it will (i) maintain its existence and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws

of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets. This Project Agreement may not be assigned in whole or part without the prior written consent of the Agency or otherwise in accordance with the Leaseback Agreement.

(j) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company agrees that it will, throughout the term of this Project Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2.1(j). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld), may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

(k) The Company hereby agrees that at all times during which it is operating the Facility, and whether or not the Leaseback Agreement is in effect to comply with, and ensure compliance by its subtenants or sublessees with, the provisions of the Environmental Compliance and Indemnification Agreement, dated as of October 1, 2023 (the "Environmental Compliance Agreement").

(l) The Company hereby acknowledges and agrees that the foregoing Agency Financial Assistance constitutes "public funds" unless otherwise excluded under Section 224-a(3) of the New York Labor Law, and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)(a) of the New York Labor Law. Other than the Agency Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project. If and to the extent that the Company determines that it is necessary and desirable to reduce the overall amount of "public funds" to be received by the Company in connection with the Project, the Agency agrees to work cooperatively with the Company to adjust the total amount of Agency Financial Assistance to be provided to the Company, which will include, but may not be limited to amending this Agreement and/or the Tax Agreement (and if the term of the Tax Agreement is modified, the corresponding terms of the Lease Agreement and Leaseback Agreement shall be modified accordingly).

ARTICLE III.
GENERAL

Section 3.1 Purpose of Project. The purpose of the Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Facility, to advance job opportunities, health, general prosperity and economic welfare of the people of the Genesee County, New York, and to specifically promote the investment commitment, employment commitment, and other commitments of the Company contained herein and in the Company's Application.

ARTICLE IV.
FINANCIAL ASSISTANCE AND RECAPTURE OF BENEFITS

Section 4.1 In accordance with the Resolution, the Company further: (i) covenants, with respect to the Sales Tax Exemption, that it shall comply with this Project Agreement, specifically, but not limited to, Section 4.3 hereof; and (ii) confirms that real property tax abatement to be provided to the Company shall conform to the Tax Agreement, the terms of which Tax Agreement shall comply with the Agency's Uniform Tax Exemption Policy (the "UTEP"). If the terms of the Tax Agreement deviate from the UTEP, the Agency has or will comply with the procedures for deviation from the UTEP.

Section 4.2 Tax Agreement. The parties hereto have executed or will execute the Lease Agreement, Leaseback Agreement and Tax Agreement. As provided in the Tax Agreement (a copy of which is attached hereto as Exhibit A), the Company agrees to certain payments (as described in the Tax Agreement) in addition to paying all special ad valorem levies, special assessments or special district taxes and service charges against real property in the jurisdiction where the Facility is located.

Section 4.3 Sales Tax Exemption.

(a) The Agency hereby appoints and confirms its appointment of the Company as the true and lawful agent of the Agency to undertake the Project. Such appointment was made by the Agency pursuant to the Resolution.

(b) The Company, as agent of the Agency, will undertake the Project. The Company hereby agrees to limit its activities as agent of the Agency under the authority of the Resolution to acts reasonably related to the acquisition, construction, rehabilitation and equipping of the Facility. The right of the Company to act as agent of the Agency shall expire on the earlier of (x) the completion of the Project, or (y) **December 31, 2024** ("Termination Date"); *provided, however*, that the Agency, through its President/CEO, may extend the Company's agent appointment at its discretion upon the written request of the Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold its consent to the extension of such appointment.

(c) Agency's Exempt Status. The Agency constitutes a corporate governmental agency and a public benefit corporation under the laws of the State of New York, and therefore, in the exercise of its governmental functions, is exempt from the imposition of Sales and Use Taxes.

As an exempt governmental entity, no exempt organization identification number has been issued to the Agency nor is one required. Notwithstanding the foregoing, the Agency makes no representation to the Company, any Agent (as defined in **Schedule C** attached hereto) or any third party that any Sales Tax Exemption is available under this Project Agreement.

(d) Scope of Authorization of Sales Tax Exemption. The Agency hereby authorizes the Company, subject to the terms and conditions of this Project Agreement, to act as its agent in connection with the Project for the purpose of effecting purchases and leases of certain items so that such purchases and leases are exempt from the imposition of Sales and Use Taxes. The Agency's authorization with respect to such Sales Tax Exemption provided to the Company and its Agents pursuant to this Project Agreement shall be subject to the following limitations:

(i) The Sales Tax Exemption shall be effective only for a term commencing on the date hereof and expiring upon the earliest of (A) the termination of this Project Agreement, (B) the Termination Date, (C) failure of the Company to file Form ST-340, as described in Section 4.5 below, (D) the termination of the Sales Tax Exemption authorization pursuant to Section 6.2 or (E) the date upon which the Company received the Maximum Sales Tax Exemption.

(ii) The Sales Tax Exemption authorization set forth herein shall automatically be suspended upon written notice to the Company that the Company is in default under this Project Agreement (or related document) until such default is cured to the satisfaction of the Agency.

(iii) The Sales Tax Exemption authorization shall be subject to all of the terms, conditions and provisions of this Project Agreement.

(iv) The Sales Tax Exemption shall only be utilized for items which shall be purchased, incorporated, completed or installed for use only by the Company at the Facility or in connection with the Project (and not with any intention to sell, transfer or otherwise dispose of any such item to a Person as shall not constitute the Company), it being the intention of the Agency and the Company that the Sales Tax Exemption shall not be made available with respect to any item unless such item is used solely by the Company at the Facility or in connection with the Project.

(v) The Sales Tax Exemption shall not be used to benefit any person or entity, including any tenant or subtenant located at the Facility, other than the Company, without the prior written consent of the Agency.

(vi) By execution by the Company of this Project Agreement, the Company agrees to accept the terms hereof and represents and warrants to the Agency that the use of the Sales Tax Exemption by the Company or by any Agent is strictly for the purposes stated herein.

(vii) Upon the Termination Date, the Company and each Agent shall cease being agents of the Agency, and the Company shall immediately notify each Agent in writing of such termination.

(viii) The Company agrees that the aggregate amount of Sales Tax Exemption realized by the Company and by all Agents of the Company, if any, in connection with the Facility shall not exceed in the aggregate the Maximum Sales Tax Exemption.

Section 4.4 Procedures for Appointing Subagents. If the Company desires to seek the appointment of a contractor, a subcontractor or other party to act as the Agency's agent, including, but not limited, to the individuals and entities described on Schedule B attached hereto (a "Subagent") for the purpose of effecting purchases which are eligible for the Sales Tax Exemption pursuant to authority of this Project Agreement, it must complete the following steps:

(i) The Company shall have the right to amend Schedule B from time to time and shall be solely responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint Subagents is expressly conditioned upon updating of Schedule B attached hereto, along with, for each Subagent, the Company must complete and submit Form ST-60 to the Agency, attached hereto as Exhibit B. An Authorized Representative of the Agency must sign the Form ST-60 and return the same to the Company. Following receipt of the signed Form ST-60, the Company must file such Form ST-60 within thirty (30) days of the date that the Agency appoints a project operator or other person or entity to act as a Subagent of the Agency for purposes of extending the Sales Tax Exemption to such Subagent. The Company acknowledges and agrees that it shall be the Company's sole and exclusive responsibility to file a completed Form ST-60 with respect to any Subagent and the failure to timely do so could result in an Event of Default and Recapture Event (as hereinafter defined).

(ii) The Company shall ensure that each Subagent shall observe and comply with the terms and conditions of this Project Agreement.

(iii) Form ST-60 Not an Exemption Certificate. The Company acknowledges that the executed Form ST-60 designating the Company or any Subagent as an agent of the Agency shall not serve as a Sales Tax Exemption certificate or document. Neither the Company nor any other Agent may tender a copy of the executed Form ST-60 to any person required to collect sales or use tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED IN LAW. IN ADDITION, THE USE BY A SUBAGENT, THE COMPANY, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY EIGHT AND THIRTY SEVEN OF THE NEW YORK STATE TAX AND FINANCE LAW (THE "TAX LAW"), THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.

(iv) Form ST-123 Requirement and Form FT-123 Requirement. As an agent of the Agency, the Company agrees that it will, and will cause each Subagent to, present to each seller or vendor a completed and signed Form ST-123, attached hereto as **Exhibit C-1**, for each contract, agreement, invoice, bill or purchase order entered into by the Company or by any Subagent, as agent for the Agency, for the purpose of undertaking the Project.

As an agent of the Agency, the Company agrees that it will, and will cause each Subagent to, present to each seller or vendor a completed and signed Form FT-123, attached hereto as **Exhibit C-2**, for each contract, agreement, invoice, bill or purchase order **for fuel** entered into by the Company or by any Subagent, as agent for the Agency, for the purpose of undertaking the Project.

Form ST-123 and Form FT-123 require that each seller or vendor accepting Form ST-123 or Form FT-123 identify the Facility on each bill or invoice for purchases and indicate on the bill or invoice that the Agency or Agent or Company, as project operator of the Agency, was the purchaser. For the purposes of indicating who the purchaser is, each bill or invoice should state:

"I, FFP NY ELBA PROJECT1, LLC [OR, NAME OF SUBAGENT: _____], certify that I am a duly appointed agent of the GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER and that I am purchasing the tangible personal property or services for use in the FFP NY Elba Project1, LLC Project located at 6820 Norton Road, Town of Elba, Genesee County, New York, and any lands located in Genesee County and occupied by license or easement during construction or improved by third parties for the benefit of the Project, being IDA OSC Project Number 1801-21-05A".

For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as **Exhibit C-3**) can be utilized for record keeping purposes. The Company shall retain copies of all such contracts, agreements, invoices, bills and purchase orders for a period of not less than six (6) years from the date thereof. For each Subagent, the Form ST-123 or Form FT-123 shall be completed as follows: (i) the "Project information" section of Form ST-123 or Form FT-123, attached hereto as **Exhibit C-1** and **Exhibit C-2** respectively, should be completed using the name and address of the Facility as indicated on the Form ST-60 used to appoint the Subagent and; (ii) the date that the Subagent was appointed as indicated on the Form ST-60.

All contracts entered into by the Company and all Subagents thereof as agent for the Agency shall include the language contained within **Schedule C** attached hereto. **Failure by the Company and/or any Subagent thereof to include such language may disqualify the agent status and Sales Tax Exemption derived by virtue of this Project Agreement. The Company, for itself and on behalf of all duly appointed**

Subagents, hereby agrees that all contracts entered into by the Company and any Subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

Section 4.5 Form ST-340 Filing Requirement. The Company shall annually file a statement with the State Department of Taxation and Finance (the "Commissioner") on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as **Exhibit D**) regarding the value of Sales Tax Exemption the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). **Please note, the Company is to report only the Sales Tax Exemption derived as a result of the Agency's participation in the Project and not those received as a result of other available State exemptions. For the avoidance of doubt, other State exemptions, which the Company should not report on its NYS Form ST-340, include, but are not limited to, exemptions available to certain manufactures or those exemptions that apply to capital improvements.** On or before February 15th of each year, the Company shall provide a copy of same to the Agency. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency and/or Recapture of Agency Benefits as described in Section 4.8 hereof.

Section 4.6 GML Provisions Relating to Sales Tax Savings.

(a) The Company covenants and agrees to comply, and to cause each of its contractors, subcontractors, Subagents, persons or entities to comply, with the requirements of GML Sections 875(1) and (3) (the "GML Provisions"), as such provisions may be amended from time to time. In the event of a conflict between the other provisions of this Project Agreement and the GML Provisions, the GML Provisions shall control.

(b) The Company acknowledges and agrees that pursuant to GML Section 875(3), the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Company, Sales Tax Savings taken or purported to be taken by the Company, any Subagent or any other person or entity acting on behalf of the Company to which the Company is not entitled or which are in excess of the Maximum Sales Tax Exemption or which are for property or services not authorized or taken in cases where the Company, any Subagent or any other person or entity acting on behalf of the Company failed to comply with a material term or condition to use property or services in the manner required by this Project Agreement. The Company shall, and shall require each Subagent and any other person or entity acting on behalf of the Company, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such Sales Tax Savings and shall promptly pay over any such amounts to the Agency or any other entity that it requests receive the Sales Tax Savings. The failure to pay over such amounts to such recipient shall be grounds for the Commissioner to assess and determine State Sales and Use Taxes due from the Company under Article 28 of the Tax Law, together with any relevant penalties and interest due on such amounts.

Subject to the provisions of Section 4.6(b) above, in the event that the Company or any Subagent shall utilize the Sales Tax Exemption in violation of the provisions of this Project Agreement, the Company shall promptly deliver notice of same to the Agency, and the Company

shall, upon demand by the Agency, pay to or at the direction of the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized Sales Tax Savings together with interest at the rate of twelve percent (12%) per annum compounded daily from the date and with respect to the dollar amount for which each such unauthorized Sales Tax Exemption was availed of by the Company or any Subagent (as applicable).

(c) Upon request by the Agency with reasonable notice to the Company, the Company shall make available at reasonable times to the Agency and/or the Independent Accountant all such books, records, contracts, agreements, invoices, bills or purchase orders of the Company and any Agent, and require all appropriate officers and employees of the Company to respond to reasonable inquiries by the Agency and/or the Independent Accountant, as shall be necessary (i) to indicate in reasonable detail those costs for which the Company or any Subagent shall have utilized the Sales Tax Exemption and the dates and amounts so utilized, and (ii) to permit the Agency to determine any amounts owed by the Company under this Section 4.6(c).

Section 4.7 Reserved.

Section 4.8 Recapture of Agency Benefits.

(a) It is understood and agreed by the parties hereto that the Agency is entering into this Project Agreement in order to provide the Financial Assistance to the Company for the Facility and to accomplish the public purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as defined below) after the date hereof, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, one hundred percent (100%) of the Recaptured Benefits.

ARTICLE VI. EVENTS OF DEFAULT AND REMEDIES

Section 6.1 The following shall each be "Events of Default" under this Project Agreement:

(a) the failure by the Company to observe and perform any covenant contained in Sections 2.1(e), 2.1(g), 2.1(i), 2.1(j), 2.1(k), 4.3, 4.5, 4.6, 5.1, 5.2, 7.1 and 7.6 hereof and such failure having continued for a period of thirty (30) days after the Agency gives written notice to the Company, specifying that failure and stating that it be remedied, or in the case of any such default which can be cured with due diligence but not within such thirty (30) day period, the Company's failure to proceed promptly to cure such default and thereafter prosecute the curing of such default with due diligence;

(b) the failure by the Company to pay the Recapture Benefits on the date due;

(c) the occurrence and continuation of a Recapture Event;

(d) the occurrence of an Event of Default under the Leaseback Agreement or Tax Agreement;

(e) the dissolution or liquidation of the Company; or the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; or the commencement by the Company (as the debtor) of a case in bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor), wherein a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the

Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors which is not revoked within thirty (30) days of initial appointment.

Section 6.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all due and owing Recapture Benefits and (B) all other payments due under this Project Agreement; or

(ii) terminate this Project Agreement and the Sales Tax Exemption authorization; or

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, and to enforce the obligations, agreements and covenants of the Company under this Project Agreement.

(b) No action taken pursuant to this Section 6.2 (including termination of the Project Agreement) shall relieve the Company from its obligation to make all payments required by the Leaseback Agreement, the Tax Agreement or Recapture Benefits.

Section 6.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Project Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right and power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article VI it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Project Agreement.

Section 6.4 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Project Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other reasonable expenses so incurred.

ARTICLE VII.
MISCELLANEOUS

Section 7.1 Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, members, officers, employees, agents

(other than the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Project Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, equipping, owning and leasing of the Facility, including, without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective executive director, directors, members, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

Section 7.2 This Project Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The exchange of copies of this Project Agreement and of signature pages by facsimile or portable document format (PDF) transmission shall constitute effective execution and delivery of this Project Agreement as to the parties hereto and may be used in lieu of the original Project Agreement and signature pages for all purposes.

TAX AGREEMENT

THIS TAX AGREEMENT, dated as of October 1, 2023 (the "Tax Agreement"), is by and between the **GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY d/b/a GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER**, a public benefit corporation duly existing under the laws of the State of New York, with offices at 99 MedTech Drive, Suite 106, Batavia, New York 14020 (the "Agency") and **FFP NY ELBA PROJECT1, LLC**, a Delaware limited liability company duly organized and validly existing under the laws of the State of New York, with offices at 101 Summer Street, 2nd Floor, Boston, Massachusetts 02110 (the "Company").

WITNESSETH:

WHEREAS, the Agency was created by Chapter 565 of the Laws of 1970 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York (the "State"); and

WHEREAS, the Company has submitted an application (the "Application") to the Agency requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (i) the acquisition by the Agency of a leasehold interest in certain real property located at 6920 Norton Road in the Town of Elba, New York (the "Land", being more particularly described as a portion of tax parcel No. 9.-1-39.111, as may be subdivided); (ii) the planning, design, construction and operation of a 5MWac PV solar electrical generation system, including panel foundations, inverters, transformers, interconnect wiring, utility connections, sitework, landscaping, fencing, security and related improvements (collectively, the "Improvements"); (iii) the acquisition of and installation in and around the Land and Improvements by the Company of machinery, equipment, fixtures and other items of tangible personal property (the "Equipment" and, collectively with the Land and the Improvements, the "Facility"); and

WHEREAS, in order to induce the Company to acquire, construct and equip the Facility, the Agency is willing to take a leasehold interest in the Land, the Improvements, the Equipment and the personal property constituting the Facility pursuant to a certain Lease Agreement, dated as of October 1, 2023 (the "Lease Agreement"), and thereafter to lease said Land, Improvements, Equipment and personal property back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement, dated as of October 1, 2023 (the "Leaseback Agreement"); and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments-in-lieu-of-taxes by the Company for the benefit of

Genesee County (the "County"), the Town of Elba (the "Town") and the Elba Central School District (the "School District" and, collectively with the County and the Town, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

Section 1.1 A. Subject to the completion and filing by the taxable status date **March 1, 2024** (the "Taxable Status Date") of New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law (the "RPTL") and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall be exempt from Real Estate Taxes (as hereinafter defined) commencing with the 2024-25 School District tax year, and the 2025 County and Town tax years. For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the County, the Town and the School District. The Company shall provide the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may, in good faith, contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes.

B. Interim Real Estate Taxes. To the extent imposed by any of the Affected Tax Jurisdictions, the Company shall pay all Real Estate Taxes relating to the Land due and payable from the date hereof through the Taxable Status Date and any applicable time periods prior to those set forth within Section 1.5.

C. Agreement to Make Payments. As long as the Facility is owned by or leased to the Agency, the Company agrees to pay annually to the Affected Tax Jurisdictions as a payment-in-lieu-of-taxes, on or before September 1 of each year for School District taxes, and on or before January 1 of each year for County and Town taxes (collectively, the "Payment Date"), commencing on September 1, 2024, and January 1, 2025, respectively, an amount equal to the Total Tax Payment, as described in Schedule A attached hereto. The Company shall make all such Total Tax Payments in the amounts and on the dates specified above, whether or not any such Total Tax Payment is billed by the Agency, the Affected Tax Jurisdictions, or any other

party.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. The Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder, *if any*, within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total Tax Payment among the Affected Tax Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, Town and special district purposes, the tax rates used to determine the allocation of the Total Tax Payment shall be the tax rates relating to the calendar year which includes the Payment Date. For School District purposes, the tax rates used to determine the Total Tax Payment shall be the rate relating to the School District year which includes the Payment Date.

1.4 Valuation of Future Additions to the Facility. If there shall be a future addition to the Facility constructed or added in any manner after the date of this Tax Agreement, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total Tax Payment. The Agency shall notify the Company of any proposed increase in the Total Tax Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Addition made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased Total Tax Payment until a different Total Tax Payment shall be established. If a lesser Total Tax Payment is determined in any proceeding or by subsequent agreement of the parties, the Total Tax Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding Total Tax Payment(s). The parties understand and agree that the current Project contemplates producing 5MWac which is the basis for calculating the payments hereunder (other than the Land Tax). In the event Project capacity increases above 5MWac, payments hereunder shall increase by \$6,000 per additional MWac, prorated for any increase less than 1 MWac. The Company hereby covenants to provide the Agency, no later than December 31 of each year during the term hereof, any and all materials relating to the Project's MWac capacity.

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the 2024-25 School District tax year through the 2038-2039 School District tax year, and (ii) the 2025 County and Town tax years through the 2039 County and Town tax years. This Tax Agreement **shall expire on December 31, 2039**; *provided, however*, the Company shall pay

(i) the 2039-40 School District tax bill, and (ii) the 2040 County and Town tax bills on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this Tax Agreement executed by both parties after any applicable public hearings. The Company agrees that it will not seek any tax exemption for the Facility while this Tax Agreement is in effect, which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the RPTL. It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

Section II - Special District Charges, Special Assessments and Other Charges.

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

Section III - Transfer of Facility.

3.1 In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or this Tax Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility, with respect to any proposed assessment or change in assessment with respect to the Facility by any of the Affected Tax Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this Tax Agreement, as if and to the same extent as if the Company were the owner of the Facility.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and

tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company and (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

Section VI - Events of Default.

6.1 The following shall constitute "Events of Default" hereunder. The failure by the Company to: (i) make the payments described in Section I within thirty (30) days of the Payment Date (the "Delinquency Date"); (ii) make any payments described herein, other than those described in Section I, on or before the last day of any applicable cure period within which said payment can be made without penalty; or (iii) the occurrence and continuance of any Events of Default under the Leaseback Agreement after any applicable cure periods. Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Agency and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to Section 874(6) of the Act and the Company shall immediately notify the Agency of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount.

6.2 If payments pursuant to Section I herein are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows. With respect to payments to be made pursuant to Section I herein, if said payment is not received by the Delinquency Date defined in Section 6.1 herein, the Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, the Company shall pay, in addition to said payment, the greater of the applicable penalties and interest as determined hereunder or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

Section VII - Assignment.

7.1 No portion of any interest in this Tax Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed; provided, however, that notwithstanding the foregoing, this Tax Agreement may be assigned in the same manner provided in Section 6.3 of the Leaseback Agreement.

Section VIII - Miscellaneous.

8.1 This Tax Agreement may be executed in any number of counterparts each of which shall be deemed an original but all of which together shall constitute a single instrument.

8.2 All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, as follows:

8.4 Notwithstanding any other term or condition contained herein, all obligations of the Agency hereunder shall constitute a special obligation payable solely from the revenues and other monies, if any, derived from the Facility and paid to the Agency by the Company. No member of the Agency nor any person executing this Tax Agreement on its behalf shall be liable personally under this Tax Agreement. No recourse shall be had for the payment of the principal or interest on amounts due hereunder or for any claim based upon or in respect of any modification of or supplement hereto against any past, present or future member, officer, agent, servant, or employee, as such, of the Agency, or of any successor or political subdivision, either directly or through the Agency or any such successor, all such liability of such members, officers, agents, servants and employees being, to the extent permitted by law, expressly waived and released by the acceptance hereof and as part of the consideration for the execution of this Tax Agreement.

Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

Project information

I certify that I am a duly appointed agent or project operator of the named IDA and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my agreement with the IDA.

Table with project information including Name of IDA (Genesee County IDA), Name of project (FFP NY Elba Project1, LLC Project), Street address (6920 Norton Road), City (Town of Elba), State (NY), ZIP code (14058), and dates of appointment and status ending.

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. Signature of purchaser or purchaser's representative (include title and relationship) and Date fields.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter **N/A**.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

The Commissioner of Taxation and Finance may collect and maintain personal information pursuant to the New York State Tax Law, including but not limited to, sections 5-a, 171, 171-a, 287, 308, 429, 475, 505, 697, 1096, 1142, and 1415 of that Law; and may require disclosure of social security numbers pursuant to 42 USC 405(c)(2)(C)(i).

This information will be used to determine and administer tax liabilities and, when authorized by law, for certain tax offset and exchange of tax information programs as well as for any other lawful purpose.

Information concerning quarterly wages paid to employees is provided to certain state agencies for purposes of fraud prevention, support enforcement, evaluation of the effectiveness of certain employment and training programs and other purposes authorized by law.

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements and issue this exemption certificate with the knowledge that this document provides evidence that excise taxes and state and local sales or use taxes do not apply to a transaction or transactions for which I tendered this document and that willfully issuing this document with the intent to evade any such tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and a possible jail sentence. I understand that this document is required to be filed with, and delivered to, the vendor as agent for the Tax Department for the purposes of Tax Law section 1838 and is deemed a document required to be filed with the Tax Department for the purpose of prosecution of offenses. I also understand that the Tax Department is authorized to investigate the validity of tax exclusions or exemptions claimed and the accuracy of any information entered on this document.

Instructions

To the purchaser

You may use Form FT-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from excise taxes and sales and use tax as described in the IDA contract.

You may use Form FT-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number – If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter **N/A**.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases. However, IDAs do not normally make direct purchases for projects. Commonly, an IDA instead appoints a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax. Purchases made by an agent or project operator to operate a business after the project is completed are subject to tax.

Example: *An IDA agreement with its agent, Contractor X, states that Contractor X may make all purchases of materials and equipment necessary for completion of the project as agent for the IDA.*

Contractor X purchases non-highway diesel motor fuel for use in construction equipment that will be used to prepare the site for construction. Since the fuel is being used to complete the project, Contractor X may purchase the fuel exempt from taxes.

When the project is completed, Contractor X purchases motor fuel and highway diesel motor fuel for use in snowplows and other maintenance vehicles used to maintain the parking lots for the business. Contractor X may not purchase this fuel exempt from tax because it is being used to operate, not to complete, the project.

Exempt purchases

To qualify for exemption, the purchases must be made within the authority granted by the IDA and used to **complete** the project, but not to **operate** the completed project.

Box A – *Motor fuel* is gasoline, benzol, reformulated blend stock for oxygenate blending, conventional blend stock for oxygenate blending, E85, fuel grade ethanol that meets the ASTM International active standards specification D4806 or D4814, or other product which is suitable for use in the operation of a motor vehicle engine. If you are purchasing motor fuel exempt from tax, mark this box.

Box B – *Highway diesel motor fuel* is any diesel motor fuel that is **not** non-highway diesel motor fuel. If you are purchasing highway diesel motor fuel exempt from tax, mark this box.

Box C – *Non-highway diesel motor fuel* is any diesel motor fuel designated for use other than on a public highway, and is dyed diesel motor fuel. If you are purchasing non-highway diesel motor fuel exempt from tax, mark this box.

Diesel motor fuel is No. 1 diesel fuel, No. 2 diesel fuel, biodiesel, kerosene, fuel oil, or other middle distillate, and also motor fuel suitable for operating a diesel engine. Diesel motor fuel does not include any product specifically designated "No. 4 diesel fuel."

Box D – *Residual petroleum product* means the topped crude of refinery operations, including No. 5 fuel oil, No. 6 fuel oil, bunker C, and the special grade of diesel product designated as No. 4 diesel fuel, that is not suitable for use in the operation of a motor vehicle engine. If you are purchasing residual petroleum product exempt from tax, mark this box.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Instructions

To the purchaser

You may use Form FT-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from excise taxes and sales and use tax as described in the IDA contract.

You may use Form FT-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number – If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter **N/A**.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases. However, IDAs do not normally make direct purchases for projects. Commonly, an IDA instead appoints a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax. Purchases made by an agent or project operator to operate a business after the project is completed are subject to tax.

Example: *An IDA agreement with its agent, Contractor X, states that Contractor X may make all purchases of materials and equipment necessary for completion of the project as agent for the IDA.*

Contractor X purchases non-highway diesel motor fuel for use in construction equipment that will be used to prepare the site for construction. Since the fuel is being used to complete the project, Contractor X may purchase the fuel exempt from taxes.

When the project is completed, Contractor X purchases motor fuel and highway diesel motor fuel for use in snowplows and other maintenance vehicles used to maintain the parking lots for the business. Contractor X may not purchase this fuel exempt from tax because it is being used to operate, not to complete, the project.

Exempt purchases

To qualify for exemption, the purchases must be made within the authority granted by the IDA and used to **complete** the project, but not to **operate** the completed project.

Box A – *Motor fuel* is gasoline, benzol, reformulated blend stock for oxygenate blending, conventional blend stock for oxygenate blending, E85, fuel grade ethanol that meets the ASTM International active standards specification D4806 or D4814, or other product which is suitable for use in the operation of a motor vehicle engine. If you are purchasing motor fuel exempt from tax, mark this box.

Box B – *Highway diesel motor fuel* is any diesel motor fuel that is **not** non-highway diesel motor fuel. If you are purchasing highway diesel motor fuel exempt from tax, mark this box.

Box C – *Non-highway diesel motor fuel* is any diesel motor fuel designated for use other than on a public highway, and is dyed diesel motor fuel. If you are purchasing non-highway diesel motor fuel exempt from tax, mark this box.

Diesel motor fuel is No. 1 diesel fuel, No. 2 diesel fuel, biodiesel, kerosene, fuel oil, or other middle distillate, and also motor fuel suitable for operating a diesel engine. Diesel motor fuel does not include any product specifically designated "No. 4 diesel fuel."

Box D – *Residual petroleum product* means the topped crude of refinery operations, including No. 5 fuel oil, No. 6 fuel oil, bunker C, and the special grade of diesel product designated as No. 4 diesel fuel, that is not suitable for use in the operation of a motor vehicle engine. If you are purchasing residual petroleum product exempt from tax, mark this box.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Instructions

General information

Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should **not** themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What you must report

The report must show the **total value** of all state and local **sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the **total combined** exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

Name of IDA agent/project operator: Enter your name, address, employer identification number (EIN), and telephone number.

Name of IDA and IDA project number: Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

Name of project: Enter the name of the project and the address of the project site. If you are involved in more than one project, you

must file a separate report for each project, even if authorized by the same IDA.

Date project began: Enter the date the project started (this means the earliest of the date of any bond or inducement resolution, the execution of any lease, or any bond issuance). Include month, day, and year.

Completion date of project: Enter the date installation, lease, or rental of property (for example, machinery or computers) on the project ended, or the date the project is expected to be completed. Mark an **X** in the appropriate box to indicate if the date entered is actual or expected.

Total sales and use tax exemptions: Enter the total amount of New York State and local sales and use taxes exempted during the reporting period as a result of the project's receipt of IDA financial assistance (*if none, enter 0*). This includes exemptions obtained at the time of purchase, as well as through a refund or credit of tax paid. Include the sales and use taxes exempted on purchases of property or services incorporated into or used on the exempt project. This includes the taxes exempted on purchases made by or on behalf of the agent/project operator, the general contractor for the project, and any subcontractors, consultants, or others. Do **not** enter total purchases.

Representative information

If applicable, enter the name, address, title (for example, attorney or accountant), and telephone number of the individual you authorize to submit this report. This section is not required.

Certification

Enter the name and title of the person signing on your behalf (for example, the IDA agent/project operator's officer, employee, or other authorized representative). Your officer, employee, or authorized representative must sign and date the report.

Mail completed report to:
