II. CALL TO ORDER

The public hearing of MedTech Landing, LLC opened at 3:30 p.m. at the Batavia Town Hall, 3833 West Main Street Road, in Batavia, New York, Genesee County, New York.

A notice of this public hearing describing the project was published in the Batavia Daily News, a copy of which is attached and is an official part of this transcript.

III. PROJECT SUMMARY

MedTech Landing, LLC is proposing to develop 80 units of market-rate housing at 53 MedTech Drive in the town of Batavia.

The \$15 million project would construct seven apartment buildings totaling 100,000 sq. ft. and includes 6 six-car garages. The project anticipates creating two positions (2 FTE).

The project is requesting assistance from the GCEDC with a sales tax exemption estimated at \$720,000, a property tax abatement estimated at \$3,031,048 via a fixed 10% 20-year PILOT (Housing PILOT for 20+ market-rate units), and a mortgage tax exemption estimated at \$120,000.

The project will also contribute \$50,000 per year for 20 years to the new Batavia Home Fund (BHF). The Town of Batavia, the City of Batavia and GCEDC have established this fund to enable housing development support in the city.

This will result in net savings to the project of \$2,871,480.

The project aligns with the Genesee County Economic Development Center's Housing Policy #1 and a recognized need for housing availability. The Genesee County Housing Needs Assessment identified that 4,800 units are needed in the next 20 years across single-family homes and rental units.
