INSURANCE COVERAGE

- 1. Requirements. The Company shall maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:
- (a) (i) Insurance against loss or damage by fire, lightning and other casualties, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the Project, exclusive of excavations and foundations, as determined by a recognized appraiser or insurer selected by the Company or (ii) as an alternative to the above requirements (including the requirement of periodic appraisal), the Company may insure the Project under a blanket insurance policy or policies covering not only the Project but other properties as well.
- (b) Workers' compensation insurance, disability benefits insurance, and each other form of insurance which the Agency or the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project.
- (c) Insurance against loss or losses from liabilities imposed by law or assumed in any written contract and arising from personal injury and death or damage to the property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per accident or occurrence on account of personal injury, including death resulting there from, and \$1,000,000 per accident or occurrence on account of damage to the property of others, excluding liability imposed upon the Company by any applicable workers' compensation law; and a blanket excess liability policy in the amount not less than \$3,000,000 per accident or occurrence, protecting the Company against any loss or liability or damage for personal injury or property damage.
- 2. Additional Provisions Respecting Insurance. (a) All insurance required shall name the Agency as a named insured and all other insurance required by Section 4 hereof shall name the Agency as an additional insured. All insurance shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide for (i) payment of the losses of the Company and the Agency as their respective interest may appear, and (ii) at least thirty (30) days' prior written notice of the cancellation thereof to the Company and the Agency.
- (b) All such policies of insurance, or a certificate or certificates of the insurers that such insurance is in force and effect, shall be deposited with the Agency on the date hereof. Prior to expiration of any such policy, the Company shall furnish the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agent Agreement.

Financial Assistance - Tax Savings***

Offering / Activity	Fees	Comments
Lease - Lease Back (SLB) or similar Including any / all of the following: 1. PILOT 2. Sales Tax Exemption 3. Mortgage Tax Exemption Minimum fee of \$2,000	\$250 Non-Refundable Application Fee GCEDC Fees: Direct Sales Project: For projects up to \$450 million in capital investment the fee amount is 1.25% of total capital investment/ benefited project amount. For projects in excess of \$450 million in capital investment the fee can be within a range of .75% and 1.25% of total capital investment/ benefitted amount. Administration fee: For projects with a capital investment of less than \$5 million, there will be a \$500 annual fee charged for each year of benefits provided. For projects with a capital investment of \$5 million or greater, there will be a \$1,000 annual fee charged. Legal Fees: Legal transaction fees associated with a project will be estimated to each client on a case by case basis.	Eligible to businesses with Capital Investments of \$50,000 or greater which meet the criterial as set forth in the GCEDC's Uniform Tax Exemption Policy.
Sales Tax Exemption Only Minimum fee of \$1,000	\$250 Non-Refundable Application Fee GCEDC Fees: Direct Sales Project: 1.25% of total capital investment/ benefited project amount Legal Fees: Legal transaction fees associated with a project will be estimated to each client on a case by case basis.	Eligible to businesses with Capita Investments of \$50,000 or greater which meet the criteria as set forth in the GCEDC's Uniform Tax Exemption Policy.
Mortgage Tax Exemption Only Minimum fee of \$2,000	\$250 Non-Refundable Application Fee GCEDC Fees: 0.4% of amount financed Legal Fees: Legal transaction fees associated with a project will be estimated to each client on a case by case basis.	Eligible to businesses with Capital Investments of \$50,000 or greater which meet the criteria as set forth in the GCEDC's Uniform Tax Exemption Policy.

Financing***

Offering / Activity		Fees	Comments	
Bond: Faxable or Tax Exe	empt	\$250 Non-Refundable Application Fee Financing Transaction Only:	Range varies based on GCEDC involvement, term of bond (equip only vs. real property) and spread	
 Financing only 	g transaction	Direct Sales Project: 1.25% of total bond amount Applicant must pay NYS Bond Issuance cost plus legal fees.	between taxable and tax exempt yield curves. The shorter the term and / or lower the spread between yield curves requires lower fees to remain competitive vs. commercia lending sources.	
2. Financing with SLB	gincluded	Legal Fees: Legal transaction fees associated with a project will be estimated to each client on a case by case basis.		

Transfer/Assignment of PILOT

Offering / Activity	Fees	Comments
1. If a company sells their building, the GCEDC must approve the transfer/assignment of the PILOT to the purchaser.	No Application Fee GCEDC will calculate a fee based on the value of the remaining incentives as a percentage of the total original incentives awarded, multiplied by the sale price of the facility and a 1.25% origination fee. Legal Fees: Legal transaction fees associated with a project will be estimated to each client on a case by case basis.	

^{***} NOTE – If a company wants to have a lease-leaseback transaction with a tax-exempt financing component the total fee charged would be 1.75% of Capital investment.

Any deviation from the above listed fee schedule must be explained in writing to the Board by the CEO prior to (or simultaneously with) the approval of the Company's application and must be approved by the Board.

	Legal transaction fees associated with a project will be estimated to each client on a case by case basis.	agreed to in a memorandum of understanding.

Exhibit E

ATTACHMENT TO APPLICATION FOR FINANICAL ASSISTANCE

Local Labor Workforce Certification

(Effective - August 4, 2022)

Project applicants (the "Company"), with projected / committed capital investment for facility construction of greater than or equal to \$5,000,000 (except solar projects as defined later), as a condition to receiving Financial Assistance (including a sales tax exemption, mortgage recording tax exemption, real property tax abatement, and/or bond proceeds) from the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center (the "Agency"), will be required to utilize qualified Local Labor, as defined below, for all projects involving the construction, expansion, equipping, demolition and/or remediation of new, existing, expanded or renovated facilities (collectively, the "Project Site"). Solar projects in excess of 5 MW (AC) will be subject to the Local Construction Labor Policy as well.

Local Labor Defined

Local Labor is defined as individuals residing in the following Counties: Genesee, Orleans, Monroe, Wyoming, Livingston, Wayne, Ontario, Seneca, Yates, Niagara, Erie, Chautauqua, Cattaraugus and Allegany (collectively, the "Local Labor Area").

Local Labor Requirement

At least 90% of the total number of Project employees, excluding construction project management, of the general contractor, subcontractor, or subcontractor to a subcontractor (collectively, the "Workers") working on the Project Site must reside within the Local Labor Area. Companies do not have to be local companies as defined herein, but must employ local Workers residing within the Local Labor Area to qualify under the 90% local labor criteria.

It is understood that at certain times, Workers residing within the Local Labor Area may not be available with respect to a Project. Under this condition, the Company is required to contact the Agency to request a waiver of the Local Labor Requirement (the "Local Labor Waiver Request") based on the following circumstances: (i) warranty issues related to installation of specialized equipment or materials whereby the manufacturer requires installation by only approved installers; (ii) specialized construction for which qualified Local Labor Area Workers are not available; (iii) documented lack of Workers meeting the Local Labor Area requirement; or (iv) cost differentials in bids whereby use of local labor significantly increases the construction cost of the project. Prior to the granting of said waiver, the lowest bidding contractor which bid said construction project using local labor would have the right of first refusal to bid and match the lowest bid as a remedy to ensure compliance with this policy. Comprehensive documentation and justification will be required including documented evidence and verification by GCEDC staff or agents that the "right of first refusal" remedy has been effected unsuccessfully.

The Company will be responsible for the costs of an outside consultant who will perform the inspections, monitoring, and waiver processing for the duration of the construction of the project. The GCEDC will require the Company to provide a deposit to be kept in escrow by the Agency. Any unused funds at the end of construction will be returned to the Company.

The Agency shall evaluate the Local Labor Waiver Request and make its determination related thereto based upon the supporting documentation received with such waiver request.

Local Labor Reporting Requirement

Companies authorized to receive Financial Assistance from the Agency will be required to file or cause to be filed a Local Labor Utilization Report (the "Report") on such form as made available by the Agency, and as directed by the Agency, which will identify, for each Worker, the city, town, or village and associated zip code that each such Worker is domiciled in. The Report shall be submitted to the Agency or its designated agents as follows: (i) immediately prior to commencement of construction

activities; and (ii) on or by the next following quarterly dates of January 1, April 1, July 1, and October 1 and each quarterly date thereafter through the construction completion date.

The Agency, or its designated agents, shall have the right, during normal business hours, to examine and copy the applicable books and records of the Company and to perform spot checks of all Workers at the Project site to verify compliance with the Local Labor Requirement throughout the construction period.

Enforcement

If Agency staff determines that: (i) the Local Labor Requirement is not being met; or (ii) upon use of its reasonable discretion, discovers or becomes aware of a compliance issue related to the Local Labor Requirement, then written notice delivered by Certified Mail of said Local Labor Requirement violation (the "Notice of Violation") shall be provided to the Company.

The Company shall have 10 business days thereafter to either:

- provide written confirmation to the Agency indicating that it has cured the violation and is now in (i) compliance with the Local Labor Requirement;
- (ii) submit the Local Labor Waiver Request as described above; or
- (iii) confirm in writing its inability to meet the Local Labor Requirement.

If the Company does not respond to the Agency's Notice of Violation, or if the Company confirms its inability to meet the Local Labor Requirement, then the Agency shall immediately terminate any and all Financial Assistance being provided to the Project in accordance with the terms of the underlying agreements between the Agency and the Company with respect to the Project. If a Local Labor Waiver Request is submitted and the Agency declines to issue the requester waiver, then the Company shall have 10 business days after receipt of the notice of the waiver request denial to provide written confirmation to the Agency indicating that it has cured the violation and is now in compliance with the Local Labor Requirement. If the Agency does not receive such confirmation, the Agency shall then immediately terminate any and all Financial Assistance being provided to the Project in accordance with the terms of the underlying agreements between the Agency and the Company with respect to the Project.

The foregoing terms have been read, reviewed and understood by the Company and all appropriate personnel. The undersigned agrees and understands that the information contained herein must be transmitted and conveyed in a timely fashion to all applicable subcontractors, suppliers and materialmen. Furthermore, the undersigned realized and understands that failure to abide by the terms herein could result in the Agency revoking all or any portion of Financial Assistance, whether already received or to be received by the Company, as it deems reasonable in its sole discretion for any violation hereof.
